Please send whatever comments or edits you have to me and Jerry today. The Gilt Edge team sent their CD to CoCa today and I'd like to send ours over as soon as possible. We can always edit the accounting information later. It's only a draft. Thanks in advance

Yes, we received it. We'll get back with you later today. I was waiting to hear from accounting on where to send the check.

Hi all

Have you all had a chance to review the Hecla/CoCa draft consent decree for the Nelson Tunnel site? We need to get a draft to the CoCa. I never heard anything and cannot currently access my email. Please let me know if something happened and you did not receive it, I sent it last week.
